Elizabeth – I understand that you are preparing the final version of the briefing document. I am sending my comments, although they may be too late. I am including them on an earlier version because I wasn't on the other email chains. Let me know if you have any questions.

Attached is the proposed Briefing document for the Administrator and the OGC memorandum regarding alternative water options. I will assume that the DDs will forward the documents to the acting RA and other leaders, as appropriate.

Hi Cheryl:

The only version I received was the one that Alan sent, which I sent to Radhika. The linked version of the options paper was very much in flux at that point. I think you and Carrie will have to work together to finalize the document since the inputs were coming from various sources.

Hi Cheryl and Carrie:

We are set to brief administrator on Benton Harbor on Wed at 930-10am. A meeting invite should come to the whole group soon. Would the 2 of you be able to take the lead on taking the document we have and turning it into something we can share with him? I could review a draft tonight.
